

Darke and Preble Spring Camporee

Darke & Preble Districts
Merit Badge Trail

Darke County Fish
& Game Club
April 9-11 2010

This Merit Badge trail, set at the Darke County Fish & Game Club grounds will provide the opportunity for scouts attending to sign up for two merit badges. Sponsored by the troops of Darke and Preble Districts.

Did you know that Outdoor Leader Training will be offered for adult leaders? The course runs Friday night through Saturday evening. This is a great opportunity for leaders to get required training while at the event! See the merit badge counselor list for more information.

Darke & Preble Camporee Committee

To all Unit Leaders:

We need your help. A lot of thought and hard discussion has gone into planning the Darke and Preble Camporee. The program has been specifically designed to offer the Boy Scouts the Opportunity to earn a couple of Merit Badges and start the camping season off in style. We ask that you encourage your unit to make full use of the program.

Scouts attending must contact the Merit Badge counselor for a list of prerequisites needed to complete the Merit Badge at the campout. Some Merit Badges may require a full day to accomplish the Merit Badge while others will only require one session to complete. But as with any Merit Badge, it is the **responsibility of the scout to contact the Merit Badge counselor.**

Please read all the enclosed information and plan to attend. Be sure to note the early bird registration deadline of **April 2, 2010** for the discounted price. If you have any questions, suggestions, or comments, please don't hesitate to contact either event chairperson:
